

**BRIE CRIB** with Generation Next Single Dresser

The Brie crib, available in Espresso or Snowdrift, offers a highly desired traditional crib style and can coordinate beautifully with many of Baby's Dream dresser collections.

Brie is constructed of 100% Solid Wood with mortise and tennon joinery. The crib easily assembles with metal inserts and bolts.

*Brie Crib (BECRP) -- 55 3/8" W x 31" D x 44 1/2" H*  
*Generation Next Single Dresser (GXSDP) -- 46" W x 21" D x 34 1/2" H*  
*Toddler Guard Rail (BDGRP)*

Brie converts to a Toddler bed, shown in Espresso.  
 Also featured is the Generation Next Changer/Chest shown as dresser.

*"Dreams come true; Prayers are answered; Miracles happen."*

## BRAXTON CRIB with Generation Next Single Dresser

The Braxton crib, available in Espresso or Snowdrift, is a timeless design perfect for boy or girl, which offers the functionality of being able to later convert to a Toddler bed with purchase of optional Guard Rail.

Braxton is constructed of 100% Solid Wood with mortise and tennon joinery. The crib easily assembles with metal inserts and bolts.

*Braxton Crib (BXCPR) -- 56 1/8" W x 32 5/8" D x 41 5/16" H*  
*Generation Next Single Dresser (GXSDP) -- 46" W x 21" D x 34 1/2" H*  
*Toddler Guard Rail (BDGRP)*

Braxton crib featuring Generation Next Changer/Chest shown as changing table.

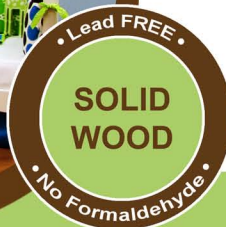

Available in Espresso or Snowdrift finish.

*"The beginning of all things, hope, and a dream of possibilities starts here."*

~ Eda J. Le Shan

Braxton converts to a Toddler bed, creating a familiar sleeping environment for growing babies.
