

CLASSICS 4.0

As smart as a perfect grade point average with timeless styling and traditional Louis Philippe details, Classics 4.0 features softened edges with lapped drawers, round wood knobs and stylized bun feet. Perfect for a boy or girl, the collection is available in a Saddle Brown wood stain or a Summer White painted finish. New smartstuff smart features are incorporated throughout the collection, such as removable partitions in drawers to provide simple organization to help mom - and the kids - bring order to busy lives. Plus, select pieces include fun, smart teaching elements like coasters in all of the nightstands.
